Premier Line UL Exhaust Hoods

LVH - UL Listed Exhaust Hood

Item #: _____ Length: _____
 Model #: **LVH** _____
 Project: _____

Construction:

- 48" OA front to back and 24" high
- Heavy gauge 430 stainless steel
- Seams are continuously welded liquid tight
- UL listed vapor proof incandescent light fixtures
- UL classified removable aluminum filters
- Grease trough with removable grease cup
- Exhaust collar
- 3" air space rear
- Front and rear hanging brackets

Material:

Hood: 18 gauge stainless steel

Options / Accessories:

Premier Line UL Exhaust Hoods

LVHEB - UL Listed Exhaust Hood

Item #: _____ Length: _____
 Model #: **LVHEB**
 Project: _____

FOR LOW CEILING HEIGHTS

Construction:

- 48" OA front to back
- 24"H rear, minimum 15"H front
- Heavy gauge 430 stainless steel
- Seams are continuously welded liquid tight
- UL listed vapor proof incandescent light fixtures
- UL classified removable aluminum filters
- Grease trough with removable grease cup
- Exhaust collar
- 3" air space rear
- Front and rear hanging brackets

Material:

Hood: 18 gauge stainless steel

Premier Line UL Exhaust Hoods

LVHRA - Return Air UL Listed Exhaust Hood

Item #: _____ Length: _____
 Model #: **LVHRA**
 Project: _____

Construction:

- 48" OA front to back and 24" high
- Return air plenum attached to front of exhaust hood
- Heavy gauge 430 stainless steel
- Seams are continuously welded liquid tight
- UL listed vapor proof incandescent light fixtures
- UL classified removable aluminum filters
- Grease trough with removable grease cup
- Exhaust collar
- 3" air space rear
- Front and rear hanging brackets

Material:

Hood: 18 gauge stainless steel

Options / Accessories:
